

Pilgrims School

Out of Hours Policy

July 2021

Next review date: July 2022

Please note: 'School' refers to Early Years Foundation Stage (Little Pilgrims and Pre School) and Pilgrims Main School.

At Pilgrims we work with parents to ensure the safety and protection of their children and to give them the very best start in life. We understand that there are occasions when parents need additional care for their children outside of school hours so we offer a comprehensive range of out of hours school care. Our aims are to:

- provide before and after school care, extra curricular programmes and school holiday clubs in an environment that is safe and free from harm.
- provide an enriched experience that is both fun and educational.
- liaise closely with parents so that both home and school can work together to meet the needs of each pupil on an individual basis.

The following out of hours provision is offered by the school:

Larks 8.00am-8.45am (Before School Care)

Larks is offered as a before school breakfast club located in the dining room and runs from 8.00am to 8.45am. Breakfast is offered to all children and a mixture of quiet table top activities are available once breakfast is finished. Parents ring the doorbell and drop the children off at the side door of the dining room. Staff sign the children in on the Larks register. At 8.30 the older children are sent down to their classrooms and the Reception children are escorted by the Larks staff to their classrooms to prepare for the start of the school day.

To ensure continuity in procedures between out of hours care and school, all Larks staff should follow the Larks procedures in Appendix A.

Owls 3.30pm-6pm (After School Care)

Owls is offered as an after school club. It is based in the dining room but also uses the playground area and runs from 3.30pm to 6pm. A range of activities are on offer from arts and crafts, small world, role-play and outdoors play. Owls staff follow the lead of the children's interests and children are given the freedom to choose what they would like to do.

To ensure that children to staff ratios are adhered to parents are requested to book their child in no later than midday on the day they require them to attend. At the end of the school day a member of the Owls team collects the children and brings them down to the dining room and signs them in. A hot afternoon tea is served at 4pm. Any children who are not collected at the end of the school day automatically go to Owls. The school is committed to providing the correct children to staff ratios to allow for unexpected additions within Owls. The teacher on Late Duty may be asked to help supervise in Owls to maintain the correct adult to pupil ratio in the case of staff absence or to help cover an adhoc busy session. Parents collect the children from the side door of the dining room and staff sign the children out on the Owls register when they are collected.

Larks and Owls can be booked in the following ways:

For regular attendees an advanced booking form, available from the school reception can be completed and handed in to the school office.

Ad-hoc sessions can be requested. To ensure that children to staff ratios are adhered to parents are requested to book their child in no later than 12pm either in person or by email to the school office.

Email bookings can be made to enquiries@pilgrims-school.org.uk

To ensure continuity in procedures between out of hours care and school, all Owls staff should follow the Owls procedures in Appendix B.

Extra-curriculum activities

Pilgrims offers an extensive extra-curricular programme ranging from cookery to tag rugby clubs and a large percentage of our children remain behind to take part in these activities. Each activity is supervised by a member of staff qualified in that particular field of activity.

Club lists and booking forms are emailed to parents approximately three weeks prior to the end of each term. Requests for clubs are made via the booking forms and are sent to Mrs Cole in the school office. Club confirmations are sent out to parents approximately two weeks before the end of term. If a child wishes to stop attending a club or swap clubs mid-term, Mrs Cole must be informed so that any necessary adjustments can be made to registers and fees. Most activities are bookable termly. However ballet and gymnastics (which involve children working towards exams or badges) are bookable for the entire year but need to be re-requested each term.

At 3.30pm the children are sent to the club tea room and a register is taken. They are supervised for half an hour by club tea staff and offered a light tea. Teachers inform club tea staff of any collection arrangements and tea staff pass this information onto the club staff. The children are collected at 4pm by the club staff and escorted to their club and a register is taken before the club begins. At the end of the club the children are dismissed and the club leader marks the register 'out' box to show they have been collected. Any children who are not collected at the end of a club are taken by the club staff to Owls and signed in.

A small number of clubs begin at 3.30pm and the children are collected from their classrooms by the club staff. Children are taken to their club and a register is taken. Ballet and Gymnastics run two or more club sessions on one evening. Children who attend the later sessions stay with the club tea staff until it is time to begin their club.

If an extra-curricular club has to be cancelled parents will be notified as soon as possible by a phone call or email. Parents will be offered the choice to either collect their child at the end of the school day or to book them into Owls.

To ensure continuity in procedures between out of hours care and school, all extra-curricular club staff should follow the extra-curricular procedures in Appendix C. Appendix D also outlines procedures for club tea.

Holiday Club

Holiday club runs for approximately ten weeks of the school year and places are booked on a termly basis on a first come, first served, basis. The number of spaces available will depend on the demand and the school's ability to meet the children to staff ratio staffing requirement – however the maximum number of spaces will never exceed forty-eight. Holiday Club is available to children from Reception to Year 3. Ex-Pilgrim children up to Year 3 are also able to attend if there are spaces available. Staff sign their child in and out on the Holiday Club register. Breakfast, mid morning snack and lunch are offered as part of the morning session and tea is offered for the afternoon session.

Holiday Club operates from the dining room, Holiday Club room and Library area. Drop off and pick up occur from the dining room along with breakfast, lunch and tea. The opportunities given to the children for learning and play offer a mix of active and quiet times, of free choice and adult-led activities and of planned activities and free play.

The majority of activities run from the Owls classroom but other areas of the school are used including the playground and field, the swimming pool, ICT room and cookery room. Each week of holiday club is planned around a theme ranging from Pirates and Princesses to Easter Extravaganza's. Holiday Club children are allowed to bring in their bikes or scooters to use at break times as long as a helmet is worn.

Organisation of Holiday Club

The children are split into groups to complete the activities. Groups are decided by age, behaviours and abilities. Reception children are mixed in with the older children. Each member of staff is responsible for a group and staff have the opportunity to lead activities in areas they have an interest in (for example arts and crafts or sports). New members of staff initially join up with another member of staff to develop experience, confidence and an understanding of holiday club routines. Groups play in different areas of the school but are close enough to be able to call for help if needed and are within areas where other adults are around (e.g. the winter garden). For some activities, for example hall times or games, the children will work together in one large group.

Holiday club booking forms are sent out in the first couple of weeks of each half term for booking for the next holiday club period.

Parents have a 7-day cooling off period from the release of the date where they can cancel without charge. After the 7-day cooling off period has ended no refunds will be given and any subsequent cancellations or unattended sessions will still be charged for.

Holiday club information is sent out before each holiday period approximately the week before the session begins, detailing the themes and activities.

To ensure continuity in procedures between out of hours care and school, all Holiday Club staff should follow the Holiday Club procedures in Appendix E.

Staffing

The school follows a robust safer recruitment policy to ensure the safety and welfare of our children. The Headteacher and Finance & Office Manager are responsible for ensuring that DBS checks for staff, Health & Safety and Safeguarding Children requirements are met.

The co-ordinator of Larks, Owls and Holiday Club care is Mrs Clare Pinnock whose role is to oversee the planning and care of all the children. She ensures that the staff to children ratio is strictly adhered to and attends to the health and safety of the children (including external play areas).

In addition, Mrs Pinnock plans activities and play opportunities which are appropriate to the ages and interests of the children attending.

The Extra-Curricular Clubs are co-ordinated by Mrs Quince and Mrs Cole. Mrs Cole is in charge of admin and liaises with registered and professional external agencies who offer expertise in extra-curricular activities. Mrs Cole also ensures that all DBS checks are made on the staff used by these agencies. All extra-curricular clubs are run by qualified teachers or instructors.

Ratios

We will keep to a staff ratio that ensures the safety and welfare of the children, bearing in mind the type(s) of activity and the age and needs of the children as per the advice in the 'Before/After School Care and Holiday Provision' section in the Statutory Framework for the Early Years and Foundation Stage (page 31 , 3.41.)

	Staff Ratio	Notes
Larks/Owls/Holiday Club	1:10	It is possible to go above 1:10. A decision will be made by the Wrap Around Care and Play Manager and Deputy Head based on age, behaviour and planned activities and potential risks involved. If the children go off site on a trip (e.g. to the park) the trips & visits ratio will be adhered to (1:5 Rec 1:6 Yr1 & 2)
After School Clubs – Reception Only	1:16	Lead by a Specialist
After School Clubs – Year 1 & 2	1:20	Lead by a Specialist

EXTRA CURRICULAR CLUB PROCEDURES

1. All external extra-curricular staff must sign in and out at the school reception desk.

6. The children are taken to their clubs by support staff from their year group.
7. When the children arrive at the club a register must be taken at the beginning of each session and pupils marked with a tick or an 'A' for absence.
8. At the end of a club the Collection of Children Policy and procedures must be followed by Club staff when dismissing children. Children should be matched up individually to the adult collecting and released one at a time. On the back of register is a list of responsible people who are authorised to collect children attending clubs and a password for each child. Children can only be dismissed into the safety of adults on this list. Where the person collecting is not known to the person dismissing the password should be used as the identity check. If the adult collecting the child is unable to provide the password, the club staff should accompany the adult and child to the Reception Desk. The Reception Staff will then call the parent/carer to clarify whether permission is granted for the child to go with the adult. On occasions parents may call the school to give adhoc permission for someone else to collect their child. This information will be recorded on a Changes To Pre-Authorised Collection Form slip and this slip will be passed onto club staff when they sign in. Again, a password will be provided for this person to collect. Under **no circumstances** can children be dismissed into the care of anyone who is not on the authorised collection list/slip.

9. At the end of the session the children must be marked out with a tick in the 'out' box. Any uncollected children must be marked with an 'O' and taken to Owls. On entering Owls club staff should hand the club children over to a member of the Owls team and that member of staff will sign the club register to show agreement with the children entering into Owls from Club.

10. Bumps and minor accidents

- In line with the main school first aid policy all accidents must be recorded on a triplicate accident report form, found in the green bag. At the end of the session, please give the top copy to the parent with an explanation of what happened. If a child attends Owls after the club then the top copy must be passed onto Clare Pinnock in Owls with a brief explanation. The second copy must be handed into the school reception desk. The third copy is for the club staff member to file for their own records.
- All club staff must read and follow the Accident and First Aid Policy and Administration of medicines policy.
- For head injuries the Head Injuries procedures should be followed (see Appendix C of the Accident and First Aid Policy).

Serious Accidents

If a serious accident occurs during a club the school reception should be contacted to gain help and the school's accident procedure should be followed.

Procedures for gaining help

To ensure the safety of all the children and to ensure children are never left unattended, the following procedures should be followed if help is required during a club:

For clubs in the classrooms the school reception desk can be contacted by using the telephones and dialling 1590.

From the sports hall or school field the Walkie Talkie or mobile phone can be used. The main school reception number is 01234 369555.

For clubs in the hall the red help disk can be used to summon help.

Activities in the Sports Hall

Two staff are required to collect and walk the children over to the sports hall with one adult leading the line and the second adult walking at the back. The crossing at the top of the drive must be used to cross the children over the

road. To use the crossing the lead adult should stop on the crossing and see the children across until the adult at the back can take over. The children should be instructed to walk across and wait by the first tree/lamppost until the first adult re-joins the line.

Entrance to the sports hall is gained by the outside door which is left open during the day when it's unoccupied. Once all of the children are inside the sports hall the outside door should be fully closed and locked.

If a child needs to go the toilet one of the coaches should direct the child to the dis-abled toilet on the ground floor. The coach should wait in the doorway of the sports hall until the child is ready to return – this will allow the coach to still have an eye on the children in the hall and the child returning from the toilet.

Only people authorised by the Harpur Trust are allowed into the Sports Hall and should be accompanied. If an adult enters the hall who is not a member of Pilgrims Staff the coaches should speak directly to the adult and ask why they are there. This information should then be shared immediately with the Estates and Property Manager at Pilgrims. If urgent repair work needs to be carried out when the hall should be in use by Pilgrims the Bursary will risk assess whether it's possible for the children to still attend their club and if not cancel the session and inform the club co-ordinator, coaches and parents.

Activities on the field

In good weather the Sports Hall clubs may take place on the field. If this occurs the coaches should take the children onto the field via the Reception playground as the terrace doors are locked at 3.45pm. Parents also need to be informed via the office when the activities change between the field/sports hall so they know where to collect the children from at the end of the session.

Behaviour and Discipline

To ensure continuity for the children between extra-curricular clubs and school, the school Behaviour and Discipline Policy should be followed to reward good behaviour and to address unwanted behaviour. Appendix 1 of the policy outlines club rules and consequences. In summary these are:

Extra-Curricular Club Rules:

1. We are kind with our hands, feet and voices.
2. We display good manners.

Consequences:

1. Warning

Where there is an incident of inappropriate behaviour by a child, this should be recorded on the hard copy of 'iSAMS – Logging a Concern' form and handed to reception who will ensure it is forwarded directly to the child's class teacher. In the case of logging a safe guarding concern the form should be placed in a sealed envelope marked 'CONFIDENTIAL – FAO THE DSL' and handed to reception who will pass the envelope directly to the DSL. Copies of the form can be found in the green first aid bag.
