## Visitor Policy

Appendix A – Covid-19 update

January 2023

Next review date: January 2024

The purpose of this policy and procedures is to ensure the Health & Safety of our children and staff both during and outside of school hours when welcoming visitors to our school.

### **The Objectives of this Policy**

We take the safety and wellbeing of our children and staff, whilst they are at school, seriously. Therefore, in line with Government guidelines, H&S requirements and safeguarding policies and procedures this policy has been put in place.

An additional section relating Covid-19 has been added to this policy (see Appendix A and the School's Covid-19 risk assessment)

This policy applies to:

- All teaching and non-teaching staff employed by the school
- All external visitors entering the school site during the school day or for after school activities (including peripatetic tutors, sports coaches etc)
- Governors
- Parents/carers
- Volunteers
- Children
- Building & Maintenance Contractors

### **Visitors Invited to the School**

Visits to the school should be by appointment and confirmed in the main school/Little Pilgrims/Pre School diary. All visitors are required to do the following on entry to the school:

- Enter the school building through the main door and report to Administration staff.
- Formal visitors representing businesses, contractors, outside agencies etc are required to present formal identification.
- State the purpose of their visit and who has invited them or who they wish to see. They should be ready to produce formal identification.
- Sign-in via the electronic Visitors' register which is located in the main school Reception area.
- Wear a school visitors' badge for identification – this will be provided by a member of the Administration staff.
- Read and acknowledge the fire regulations and procedures.
- Remain with a member of school staff at all times.
- Turn off their mobile phones and not attempt to use them during their visit.

Should any visitor have any concerns with regards to anything they have seen/heard during their visit, we ask that they inform the member of staff accompanying them who will then advise them of the necessary steps taken by the school.

For further information, please refer to the school's Safeguarding Policy which is available on the school's website ([pilgrims-school.info](http://pilgrims-school.info)).

On departing, visitors should leave via the main school Reception, sign-out and hand back their Visitors badge.

### **Unknown/Uninvited Visitors to the School**

Any unaccompanied/unknown/unexpected visitor to the school site who is not displaying their school Visitor's badge, will be challenged politely to enquire who they are and their business on the school site. They should then be escorted to reception to sign the visitors' register and be issued with an identity badge. The above procedures then apply.

In the event that the visitor refuses to comply, they are asked to leave the site immediately. The Headteacher/Deputy Headteacher (or Senior Leader if neither is available) will consider the situation and decide if it is necessary to inform the police.

### **Governors and Volunteers**

We welcome visits from our Governor, Trustee and members of the Harpur Trust staff. All school governors are required to have an enhanced DBS check. The school's HR coordinator will ensure all necessary checks have taken place volunteers prior to their start.

### **Linked Policies**

This policy should be read in conjunction with other related school policies: including:

- Child Protection
- Safeguarding
- Confidentiality
- Healthy and Safety
- Fire Safety
